

Welcome to Estia Health Forster, one of our aged care homes located on the Mid-North Coast of New South Wales

Estia Health Forster is a welcoming home in the charming seaside town of Forster. Set back from the main road, close to shops and with a bus stop at the door, the home sits among tranquil landscaped gardens which overlook the neighbouring lake.

The experienced clinicians, carers and hospitality teams look after all aspects of a resident's care, including **clinical**, social and overall wellbeing and offer **dementia** and **palliative care** services, which can be accessed as **short-term respite care** or for a **longer stay**. The home's Memory Support Unit provides a safe and supportive environment for residents requiring additional support.

All rooms are spacious single rooms with ensuite and the single level home has a number of comfortable communal areas residents make the most of, with daily **activities** and visiting entertainers. The extensive landscaped gardens are used regularly by residents, their family and visitors for alfresco dining. Other features of the home include a very popular cafe, cinema, chapel holding regular services and gym room utilised by visiting allied health professionals.
