## Welcome to Estia Health Kogarah, one of our aged care homes located in southern Sydney, New South Wales

Estia Health Kogarah is a beautiful home that opened in 2017, with modern architectural design combined with art-deco inspired furnishings, city skyline views and a range of features for residents to enjoy. Located near shops, cafes, and St George Hospital, and conveniently located on Wilson street with onsite parking, it joins our Estia Health Bexley and Estia Health Blakehurst home to offer a choice of quality care for the local community.

The experienced clinicians, carers and hospitality teams look after all aspects of a resident's care including **clinical**, social and overall wellbeing and offer **dementia** and **palliative care** services, which can be accessed as **short-term respite care** or for a **longer stay**.

The home has both single rooms with ensuite and companion rooms for couples wishing to live together. Communal areas are spacious including lounges, an art-deco inspired cinema room, hairdressing salon with nail bar and a library. Outside there are several terraces, an alfresco dining area and sensory gardens that residents can tend to if they wish or simply enjoy with friends.

Location

"The kindness and care shown to Mum and Dad was exemplary. I felt very comfortable having them there, even though it was a short time. Mum liked the activities she participated in, and Dad really appreciated the opportunity to re-charge his batteries. He was especially impressed with the way you were able to accommodate his dietary needs. "
