

Welcome to Estia Health Manly Vale, our aged care home located in Sydney's northern beaches, New South Wales

Estia Health Manly Vale is a modern and welcoming home located on a quiet residential street off Condamine Street. Close to local, shops, hospitals and public transport and a short drive to Manly centre and beach.

Well respected in the local community, the experienced clinicians, carers and hospitality teams look after all aspects of a resident's care, including clinical, social and overall wellbeing, which can be accessed as **short-term respite care** or for a **longer stay**. The home's Memory Support Unit

provides a safe and supportive environment for residents requiring additional support.

The home offers single rooms with ensuite, some with views over the internal garden, others with district views. Residents and their families enjoy special food events, a regular coffee club in the café, exercise classes and regular visits from children as part of a rich and varied activities program tailored to residents' interests and preferences. The home features a special tranquil internal Japanese-inspired garden with its own bridge, shade and seating for residents to enjoy alfresco dining or just as a quiet space to enjoy with their loved ones.
