

Welcome to Estia Health Mount Coolum, one of our aged care homes located on the Sunshine Coast

Estia Health Mount Coolum is a warm and welcoming single-level home in a convenient, quiet location. The home sits at the base of Mount Coolum, surrounded by national reserve land and close to public transport, local shops and the beach.

The experienced clinicians, carers and hospitality teams look after all aspects of a resident's care, including **clinical**, social and overall wellbeing, which can be accessed for **short-term respite care** or a **longer stay**. The home's Memory Support Unit provides a safe and supportive environment for residents requiring additional support.

The home's design is made up of small, contained community areas, the 'terraces', which create a safe and intimate environment for residents to enjoy. There are single rooms as well as companion rooms for couples who wish to live together. All rooms have ensuite and a view of the gardens, courtyards, golf course or Mount Coolum itself. The **activities** program has something to suit all interests and includes various groups, excursions and a calendar of cultural events.
