

Welcome to Estia Health Kangaroo Flat, one of our two aged care homes in Bendigo, Victoria

Estia Health Kangaroo Flat is a welcoming home on a quiet street close to the centre of town and walking distance to public transport for the short drive to shops, clubs and the hospital. It is near our Estia Health Victoria Heights home, providing a choice of care to the local community.

The experienced clinicians, carers and hospitality teams look after all aspects of a resident's care, including clinical, social and overall wellbeing, and offer palliative care services, which can be accessed for short-term respite care

or a **longer stay**. The home's Memory Support Unit provides dementia care in a safe environment for residents requiring additional support.

Residents make the most of the home's comfortable indoor and outdoor common areas, enjoying a mix of large, vibrant spaces and peaceful, more intimate places to relax. The hairdressing salon is perfect for pampering and our on-site cafe makes for a comfortable space for family visits. Residents enjoy an engaging lifestyle program with a range of interest groups, gardening club, visiting entertainers and happy hour drinks.
