

Welcome to Estia Health Werribee, our aged care home located in southwest Melbourne, Victoria

Estia Health Werribee is a warm, welcoming home that sits around three tranquil landscaped courtyards in a convenient location close to the town's shops, services and station and with a bus stop at the door.

The experienced clinicians, carers and hospitality teams look after all aspects of a resident's care, including **clinical**, social and overall wellbeing, which can be accessed for day **respite care**, **short-term respite care**, or a **longer stay**. The home's Memory Support Unit provides a safe environment for residents requiring additional support and has its own garden. Many of the home's staff are bilingual.

The onsite chef and team cook fresh daily based on residents' preferences. The lifestyle program is designed around residents' interests and includes multicultural **activities**, exercise, worship and visits from local school children who perform concerts or join in activities. The home has a hairdressing salon and a private dining room that can be booked for special events with loved ones.
