

Welcome to Estia Health Wodonga, our aged care home located on the Victoria - New South Wales border

Estia Health Wodonga is modern and welcoming home in a peaceful bushland location, backing onto the Wodonga golf course. The home is a short drive to the shops and services of Wodonga city centre and its twin city, Albury, which sits on the other side of the beautiful Murray River.

The experienced clinicians, carers and hospitality teams look after all aspects of a resident's care, including **clinical**, social and overall wellbeing, and offer **palliative care** services, which can be accessed for **short-term respite care** or a **longer stay**. The home's gym can be used for enhanced allied health services from our visiting providers.

Rooms are single with ensuite and a kitchenette for residents to make the most of, each with a veranda or balcony looking out over the golf course or the home's landscaped gardens. The home's features include a hairdressing salon, cinema, private dining room for special events and there's a self-contained cottage that can be used by visiting families. Daily **activities** are tailored around residents' interests and include hobby groups, outings and a calendar of cultural events.
